FIG. 3A

This diagram shows a cross-section of a filter assembly. It consists of a rectangular frame 1 containing a single layer of filter media 3. A central vertical support 2 is positioned within the frame. On the left side, a vertical strip 4 is attached to the bottom of the frame 1. A tube 5 is connected to the top of the support 2 and extends upwards. A horizontal line 7 is drawn across the middle of the filter media 3.
